*Seasons
Greetings*

to one and all. My wife Margo and I hope you had a wonderful Christmas and are about to experience the best year ever.

Conference 2006 has gone on record as having the highest number of attendees in history - a total of 463 registered delegates and 180 working the trade show. Although there were a few workshops and sessions that proved to be over-crowded and very warm, everything seemed to be well received.

Water For People was hugely supported by all that were present, recording another high in donations via the Silent Auction, the 50-50, and the Buffet Bribe, with a grand total of \$3046.00. Thank you to all who donated! Once again, the ClearTech staff was a great help in accomplishing the final numbers.

I would like to extend a big 'Thank You' to the participants of the Annual General Meeting who gave us the mandate to proceed with our Labor Market Analysis. We now have the go-ahead to produce a tool to assist the operators of this province to enhance our image, to procure fair wages and salaries and to help us with the recruitment, retention and succession of water and wastewater operators in Saskatchewan.

SWWA hosted an all day workshop on the Friday before our golf tournament in June which was held in Biggar this year. 69 delegates signed up for the UV Disinfection of both water and wastewater and 58 golfers were on the course the next day, all hoping to win one of the two \$4000.00 prizes.

In closing, I wish to thank the 2006 Board of Directors and office staff, who worked very hard all year to make this the excellent conference that it was. Thank you also to the delegates and suppliers, whose numbers are crucial to the success of our conference.

Please log onto our website at swwa.sk.ca for information regarding workshop names, locations and dates in 2007.

Mark Krecsy - President

This year's spousal program was hosted by Denaye McMahon and was well attended. This year's prize winner was Rhonda Rolleston. The Silent Auction, 50/50 draw and the Buffet Bribery for Water for People raised \$3,046.00. The winner of the 50/50 draw was Jim Percy of Davidson. The \$615.00 was donated back to Water for People. The SWWA big give away this year was a flat screen t.v. It was won by Adam McLeod. Robar's door prize, a cordless drill, was won by Tony Peter. And last but not least the winner of the MSSA Golf Clubs and Bag was Mike Schafer of Kincaid.

SPRING GOLF TOURNAMENT UPDATE

Tired of shoveling snow? Start thinking about our annual golf tournament. After a very successful tournament last year in Biggar, with 58 golfers participating, let's beat that number this year.

This year's tournament will be held at the beautiful Evergreen Golf Club and Evergreen Centre in Nipawin on Saturday, June 9th, 2007. As is traditional, there will be a workshop held the day before so plan to stay over night and attend the golf tournament the next day.

Accommodations are available throughout Nipawin as well as camping facilities.

Additional information on the tournament and the workshop along with the registration form will be available in the spring edition of the Pipeline.

SWWA HISTORICAL COMMITTEE REQUEST

SWWA is 25 years old in 2007.

With this in mind the SWWA board has appointed some old crocks to bring back some of our early history to you. But as you may be aware we have forgotten some things and....ZZZZZZZZZZZZZZZZZZ (that was my required nap)..where was I. So we would ask anyone who may have some old photos of conferences, seminars, golf tourneys and memorabilia that you would share with us in this celebration. We will gladly return them to you if you wish.

If you have a story about a SWWA activity that you wish to share please contact us at water@city.melville.sk.ca or swwa.office@sasktel.net or call the SWWA office at 306-761-1278 or Fax 306-761-1279.

Thank you.

HISTORY LESSON CONTEST

SWWA is entering its 25th year in history. With this in mind the SWWA executive has decided it would be a good way to promote this milestone. One way of doing this is by having a contest of historical items, facts and related issues in the Pipeline. The first one to call or email the SWWA office with the right answer will win a prize (surprise)! A just for fun contest.

Question: In what year was the first conference held, and in what city?

Contact: SWWA office or email to swwa.office@sasktel.net

Contest Rules:

1. SWWA decides who the winner is.
2. Refer to Rule No. 1

Brought to you by the SWWA 25th Historical Committee.

Fundraising Record Set at SWWA Conference!

Water for People Canada extends heartfelt thanks to the delegates and directors of the SWWA for making the 2006 fundraising events at your conference the most successful in our history together.

Together we raised \$3,046 for Water for People!

Your contributions support our vision of a world where all people have access to safe drinking water and sanitation; a world where no one suffers or dies from a water or sanitation-related disease. Your support allows us to work together to achieve these goals.

Keep watch for new events at the 2007 conference including an exciting new raffle that will replace the 50-50 draw. Thanks to Jim P. for donating his winnings but we aren't going to let him do that again next year!

Thank You!

How Can I Help?

It's as easy as supporting the fundraising at the next SWWA Annual Conference: donate an item to the silent auction (handcrafted items are greatly appreciated), bid on auction items, and take in the raffle. As well, WFP is always looking for good people for the Saskatchewan committee, so please contact wfp@cleartech.ca to help out.

SPOUSAL PROGRAM 2006

The Spousal Program for 2006 consisted of two events.

On Wednesday, the participants had the opportunity to travel to the Midtown plaza for a morning or full day of shopping.

On Thursday afternoon, 27 women participated in an afternoon of pampering. The Paramount Day Spa was on hand to provide the ladies with a paraffin wax hand treatment, light massage, make-up touch-up and hairstyling. Delicious snacks and beverages were served and a fun time was had by all.

Thank you to all the participants and we hope to see everyone again next year!
