3rd Edition

IMPORTANT CONFERENCE 2007 NOTICES

In order to identify SWWA delegates and registered individuals, it is imperative that name tags, issued by SWWA, be worn at all times, to every event and to every function, including the Trade Show. Without your name tag, admittance will be denied.

All delegates and registered individuals will be issued SWWA meal tickets and you will be asked to produce them at each SWWA sponsored meal.

If you cannot attend the banquet or do not require your ticket, please fill out the reverse with your name and phone number and drop it into the drum that will be provided and be eligible for a prize to be drawn for at the Ice Breaker on Wednesday evening.

SPOUSAL PROGRAM INVITATION

Ladies, have you ever been woken during the night for a broken water main? Dealt with questions about water that smells like chlorine? Or handled complaints about brown, yellow, or other colour of water? If you have or even if you haven't, you deserve a huge thank you and an afternoon of pampering for your sleepless nights! You are invited to an afternoon of rest, relaxation, and rejuvenation!

This year's Spousal Program will be held at the Paramount Day Spa on Thursday, November 8th from 1:00 - 4:30. Your afternoon will begin with transportation from the Radisson Hotel or the Hilton Garden Hotel. At the Spa, you will receive an Intermezzo Facial (a 20 minute facial which instantly delivers radiance to the skin), a Soothing Paraffin Wax Treatment, and your choice of either a Shampoo and Style, Makeup Application, or Relaxing Massage Break. To further enhance your experience, you will also receive a complimentary \$20.00 Gift Card that can be used toward any retail purchase in the boutique. Refreshments and snacks will also be available for your indulgence. You will then be transported back to either of the hotels for the completion

of your afternoon.

If this afternoon is of interest to you, please complete the Spousal Program section of the Conference Registration Form and return it to the SWWA Office as soon as possible, as there is a limited number of spots available. Have a wonderful spring and we look forward to seeing you in November.

HISTORY LESSON CONTEST

SWWA is entering its 25th year in history. With this in mind the SWWA executive has decided to promote this milestone by having a contest of historical items, facts and related issues. The first one to call or email the SWWA office with the right answer will win a prize (see a related article on some recent winners).

Question 1.

SWWA 's early days were linked with Saskatchewan Environment. One of the links was a newsletter. SWWA had the "Pipeline" while SE published its own that was sent out to all operators in the province. Saskatchewan Environment's newsletter was published as early as 1979 and the final edition was in 1997. What was the name of the newsletter published by SE?

Question 2.

He was at the original conference in Melville in 1983 (picture) as a supplier representative and still is representing a supplier today. He has moved from Regina to Saskatoon back to Regina. His company name has changed but not him. He has been the recipient of the Supplier of the Year award. Who is he?

Contact: SWWA office or email to swwa.office@sasktel.net

CONTEST RULES

1. SWWA decides who the winner is.

SWWA LIFE MEMBERSHIP NOMINATION FORM

Criteria

Any person who has been an active member of SWWA for at least 15 years, and is retired from active employment can apply or be nominated for a Life membership. The application must be received by the Board of Directors in writing at least five months in advance of the annual conference awards banquet. The nominee shall be notified in writing of the board's decision at least three months in advance of the annual conference awards banquet. The applicant must have demonstrated extraordinary service and have been dedicated to the aims and goals of SWWA and its membership. The maximum number of life memberships awarded each year is three.

Benefits

This membership category allows the benefactor the same participation privileges as a regular member of the association at no cost, including receiving the SWWA Pipeline newsletter, without having to meet the active duty requirements. The benefits do not extend to the benefits of any affiliate organizations of the association. The Life member shall receive a plaque suitably inscribed with the recipient's name, year of award, and will be presented at the annual conference awards banquet. As well their name and year of award will be inscribed on the plaque kept by SWWA.

The Life member shall receive a complimentary conference registration including a banquet ticket for their spouse. Seating at the dignitary table and acknowledgement by the MC at the awards banquet will be provided. Free one night accommodation, if required, for the evening of the annual conference awards banquet is included. For years following the award year, the Life member shall receive a complimentary conference registration including a banquet ticket for their spouse.

Nominee's Name: _____

Address: _____

Number of years an active member of SWWA: _____

Date retired from active employment: _____

Nominated by: _____

OPERATOR OF THE YEAR NOMINATION INFORMATION

PURPOSE OF THE AWARD . . . Established by the SWWA executive in 1988 to recognize excellence as a water and/or wastewater operator. Two awards will be presented annually: one for populations of 1,000 or less, the other for populations exceeding 1,000.

NOMINATIONS . . . Nominations can be made by: Mayors, Aldermen, Administrators, City/Town Engineers, City/Town Superintendents or Foremen, fellow employees. The nominator will be required to submit written documentation to the selection committee as soon as possible. Deadline is October 15 of each year.

ELIGIBILITY . . . The nominee must be a member of SWWA or affiliate organization and must be certified by the Operator Certification Board. The nominee can be full or part time operator employed by a municipality or industrial water/wastewater utility.

AWARD PRESENTATION . . . The Dale Heshka (over 1,000 population) and the Dave Clark (less than 1,000 population) Operator of the Year Awards will be presented at the annual SWWA Conference.

LABOUR MARKET ANALYSIS UPDATE

Within the next couple of months the SWWA will be conducting its Labour Market Analysis Study for Regular Members. You can expect a questionnaire from the SWWA Consultant. This labour market analysis was approved by a majority at the Annual General Meeting in 2006. Please be assured that if you do not wish to participate you do not have to. However, it is in all operator's best interest to be able to benchmark your industry. The consultant will not be releasing any private information as a result of this survey.

ATTENTION ALL SUPPLIERS

For those suppliers that had booths at the 2006 conference, a "Trade Show" registration form and package will be mailed directly to you at the beginning of May.

For those suppliers that are planning to attend our conference but **NOT** have a booth in our Trade Show: visit our website www.swwa.sk.ca and download the "Supplier without a Booth" registration form.

HELPING TO PROVIDE CLEAN DRINKING WATER TO THE WORLD!

Everyday, you provide safe, clean drinking water to the people of your community. . . but did you know you can help to do it for people all over the world?

Water for People Canada helps impoverished people worldwide to improve their quality of life through safe drinking water and sanitation. The task is enormous: over 1 billion people lack access to clean water, and roughly 2.4 billion people lack access to sanitation.

Last year, the money raised by the Western Canada Section of Water for People funded the Pujujil School Latrine Project in Guatemala. The project included the construction of three five-station latrines, one six-station hydraulic flush toilets, two urinals, two eight-faucet handwashing stations, plus one pump and well system - spread over six schools in six villages. Additional funds

were used on another project in Guatemala that involved operator training focused on water chlorination and safe water treatment. These two projects alone helped well over 2,200 people.

Here's how you can help this year: get involved with WFP; take up a collection at work; hold a fundraising event; donate an item to one of the WFP silent auctions, or make a donation at your annual conference.

The silent auction and 50/50 draws at the SWWA Conference are two of the key fund raising events for this worthwhile relief effort. The money you help raise will vastly improve the life of a child, their family, and their village.

For more information on how you can help supply clean water to the world, please contact Randy Bracewell, 306 - 664-2522, rbracewell@cleartech.ca or visit www.waterforpeople.org.
