HOLE-IN-ONE CONTEST

KGS CONSULTING ENGINEERS
&
PROJECT MANAGERS

and

WOLSELEY
Waterworks Group

Invite you to come out and try your luck at winning a prize in our Hole-In-One Contest!
Two prizes of \$4000 could be won at this year's tournament. See you there!

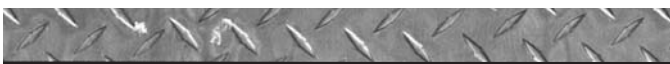

THANK YOU

On behalf of the Saskatchewan Water and Wastewater Association I would like to extend a big THANK YOU to Peter Thiele of the Ministry of Environment and Sean Bayer of MR2 McDonald & Associates for the excellent job they did presenting the Lagoon Operation & Maintenance (Peter) and Math for Operators (Sean) Workshops. The two workshops were held in Prince Albert on March 4th and 5th. The workshops were a great success with the delegates that attended and the comments that we have received are high in praise for their teaching ability.

The SWWA would also like to thank the Prince Albert Grand Council for helping SWWA host these workshops. Your efforts are greatly appreciated.

Thank you again for the GREAT JOB.

Tom Williams
SWWA Training Coordinator

UPCOMING WORKSHOPS

Valve & Hydrant Maintenance (0.7 CEUs)

Dates: April 29 – Wynyard and May 1 – Weyburn

Presented by: Don Webb, Mueller Canada

The first portion of this workshop will be held indoors and the topics to be covered are:

Proper Valve Box Installation

AWWA Gate Valve Design, Operation and Maintenance

AWWA Butterfly Valves Design, Operation and Maintenance

AWWA Fire Hydrant Design, Operation and Maintenance

How to establish a proper maintenance program

The workshop will move beyond the classroom and into the field in the afternoon to work on hydrants.

Filter Operation and Maintenance (0.6 CEUs)

Dates: April 30 - Kindersley and

May 14 - Prince Albert

Presented by: David Hambley, AWI

This workshop has been designed to provide the filter operator with the fundamentals of filter observation and maintenance. Information and concepts presented at this workshop can be immediately used by the WTP Operator to improve or develop a site-specific filter maintenance program at their facility. The presentation information will apply to both surface and ground water filters. Filter maintenance will be broken down into topic areas:

Filter Media:

Filter media types. (including anthracite & angular sand)
Filter media function, design and specifications

Filter Underdrain Design:

Underdrain Function

Underdrain Types

Underdrain Design

Underdrain installation and testing

The Backwash Cycle (& Sustaining the Filtration

Process):

The backwash cycle will be broken down into steps with each step discussed in detail.

Drain down.

Air scour assisted backwash

Simultaneous air/water backwash

Settling time and slow refill

Appropriate backwash rates

Filter media expansion

Backwash duration

Filter Surveillance (& In Filter Observation)

Basic filter inspection techniques will be discussed and how to apply to a regular inspection program. The importance of tracking, and recording plant data for future reference will also be covered using filter inspection templates (to be provided).

Filter surveillance data templates

Backwash observations

Backwash duration

Filter media sampling

In Filter Observation

Backwash observations (including NTU vs Time)

Filter free-board measurements

Filter media sampling and depth measurement

This workshop will use various visual aids including photos, diagrams and video footage to better illustrate the subject matter.

Leak Detection & Audit (0.5 CEUs)

Dates: May 6 - Nipawin, May 8 – Biggar and

June 4 - Indian Head

Presented by: Al Turner, Al Turner Consulting Ltd.

This workshop will introduce the operator to anticipate through a heightened level of maintenance the possibility of a problem in the water system and will include step by step solutions. A portion of the afternoon includes hands on field training using various types of leak detection tools.

Source Water Protection (CEUs to be attributed)

Date: June 6 (day before golf tournament)

- Weyburn

Presented by: Robin Tod,

Saskatchewan Watershed Authority

Watch the SWWA website for further information

The SWWA 2008 Conference will be held November 5 – 7th at TCU Place and the Hilton Garden Inn Saskatoon, Saskatchewan. Please mark these dates on your calendar and watch the Pipeline for more information.

HOTELS AND CONFERENCE

NOVEMBER 5 - 7, 2008

Just a reminder to all SWWA Members that the 2008 Conference is on November 5 thru 7. Again things are changing; the 5th and 6th sessions will be held at TCU Place. Registration on evening of the 4th and all sessions on the 7th will be held at Hilton Garden Inn.

Plans are under way to make this the best conference ever. So make sure you book your hotel rooms early and watch the May Pipeline for the conference registration form. Hotel information is listed in this issue.

We look forward to seeing you at the conference.

Jack Croteau
Facilities Chairperson.

2008 SWSA CONFERENCE TRADE SHOW REPORT

Plans for the 2008 Trade Show are well underway. With the continued use of the huge Salon area of TCU Place this year, our trade show can once again be a great success.

We will have 97 booths of equal size to offer our suppliers. Suppliers, watch for your invitation letters to be arriving in early May. Remember that booths are sold on a first come – first served basis and that faxed in registrations need to be accompanied with payments to hold your booth space.

I look forward to seeing everyone in November.
