

## **Water Treatment Operator Level 3**

### **Class 2 Certification**

***\*More than 1 position may be filled\****

#### **Competition #155**

Please apply with a cover letter and resume online at: <https://jobbank.brandon.ca/>

**Position Conditions:** This permanent, full-time opportunity of 40 hours per week will include evening & weekend shifts. This position is posted and will be offered in accordance with conditions identified in the Collective Agreement between the City of Brandon and CUPE Local 69.

**Rate of Pay:** \$32.45 - \$41.89 per hour – (2025 Rates)

**Closing Date:** 11:59 PM on October 21, 2025.

This competition will include testing and an interview.

#### **PURPOSE OF POSITION**

To participate as part of a working team that operates a variety of equipment and machinery and performs the tasks required for the safe and efficient operations of the City's water treatment operations. Assists the Class 4 and/or Class 3 Operators with operating the equipment that processes water to acceptable standards. Works towards achieving the certifications, qualifications and experience required to perform the tasks of the Class 4 Operator at the Water Treatment Facility.

**NOTE:** This description is not intended to limit the assignment of work or be construed as a complete list of the many duties to be performed by the incumbent.

#### **TYPICAL DUTIES AND RESPONSIBILITIES**

- Supports the Class 4 and/or Class 3 Operator by performing routine duties in the operation of the mechanical equipment such as boilers, pumps, valves, filters, chemical treating equipment, and all other equipment necessary in the operation of the Water Treatment Facility;
- Supports the Plant Maintenance staff by performing routine duties in servicing mechanical equipment such as the boiler, pumps, valves, filters, chemical treating equipment, and all other equipment necessary in the operation of the Water Treatment Facility;
- Cleans assigned areas of the City of Brandon Water Treatment Facility and performs building and grounds maintenance tasks;
- Maintains records required in the operation of the Water Treatment facility;
- Collects samples used for testing water quality;
- Receives, unloads and stores materials and chemicals used at the Water Treatment Facility;
- Maintains a sufficient supply of chemicals in the feeders;
- Learn to perform the duties of the Class 3 and/or 4 Operator;
- Performs other related duties as assigned or required.

NOTE: This description is not intended to limit the assignment of work or be construed as a complete list of the

many duties to be performed by the incumbent.

### **MANDATORY QUALIFICATIONS & EXPERIENCE**

- Grade 12, G.E.D., C.A.E.C, or Mature High School Diploma.
- Must hold and maintain a Class 5 Province of Manitoba driver's license.
- A Class 2 Operator's Certificate in Water Treatment as issued by Manitoba Conservation.
- Any additional certification required under Provincial guidelines and legislation.
- Minimum three (3) years experience in a Water Treatment Facility.
- Must possess the ability to work in heights, confined spaces, and lift up to 50 lbs.
- Must be willing to participate in continuing education in order to achieve further certifications.

### **PREFERRED QUALIFICATIONS & EXPERIENCE**

- Two – four years' post-secondary education in a science field.
- A Class 5 Power Engineering certification issued under the Power Engineer's Act and regulation within twenty-four (24) months of appointment.
- A Class 4 Power certification issued under the Power Engineer's Act and regulation within forty-eight (48) months of appointment.
