Competition #: SW-13-2025
Location: Moose Jaw
Salary: \$7,288 to \$9,475 per month (\$87,456 to \$113,700 annually)

Immerse yourself in a team committed to creating trusted and sustainable water solutions for a vibrant Saskatchewan. A team backed by a corporation with over 60 years of experience providing water and wastewater services. That's a lot of knowledge.

But there's more. SaskWater offers an attractive benefits package including employer-funded health, dental and vision benefits, pension, and disability insurance, plus vacation leave, earned days off, and paid family leave and sick leave. At SaskWater you can take advantage of extras such as flexible work options, a tuition reimbursement program, employee family assistance plans, maternity leave top-up and more. H2Wh0a!!

Now that's refreshing! Apply today.

As the Project Engineer, you will provide specialized professional engineering advice and support to a broad range of activities. The incumbent is responsible for moderately complex to complex engineering projects that are often carried out simultaneously, especially in peak season periods.

To qualify, you will have a Degree in Civil Engineering or similar discipline, along with Professional Engineer status (P.Eng) or Professional Licensee status (P. Licensee) and a Valid Class 5 Driver's License.

In addition to the above qualifications, the job requires 4 years of progressively more responsible experience in the following areas:

- Design and cost estimating
- Construction supervision
- Tendering, Request for Proposals, agreement and contract administration
- Preparation and revision of specifications, special provisions and terms of reference
- Research and development
- Project management
- Negotiation and motivation

Special Requirements: The position requires the incumbent to undergo a Criminal Record Check and Drug and Alcohol test. You must be legally entitled to work in Canada. A valid Saskatchewan driver's license is required.
